Shalom dear Israel friend Joel C. Rosenberg !

Being engaged in everything concerning Israel we would appreciate to hear your opinion concerning the 3 below mentioned points in Ez 38 .

The prophet is speaking about 3 important things, which we couldn't find on your website :

1) Israel must "dwell safely" (3 times)

How the events of Ez 38 can happen ("dwell safely") as long there is no peace and any peace can't be seen except a false peace coming by the antichrist?

38 / 8: "and now all of them dwell safely"

38/ 11:"go to a peaceful people, who dwell safely"

38/ 14:" when MY people Israel dwells safely"

2) The enemy comes to "plunder" (4 times) and to "take booty" (2-times)

Are there essential things in Israel, which could be "plundered", things which the aggressors don't have ? Or will be in Israel a quite new technology and high -tec production cause to new inventions revealed by the Lord to His "servants"?

38/ 12:"to take plunder and to take booty"

38/ 13:"have you come to take plunder?"

..... to take booty, to carry away silver and gold, to take away the livestock and goods, to take great plunder?"

3) The aggressor comes with a great conventional army (38/ 4-6, 9, 15-16 - different to Rev 9 / 18 - 19 !) - Why the enemy comes with a conventional army ?

31) Could it be that the missile and nuclear potential of Iran is destroyed before this attack?

- by US or Israel eliminating Irans missile and nuclear potential in the homeland Iran ?
- by IDF's "arrow-system" against attacking missiles (the missiles coming down outside of Israel could damage Jordan or Syria destroying Damascus - see Is 17/ 1-3; Jer 49/ 23-27; Amos 1/ 3-5 !)

o r

32) To make first a great plunder is more important then to cancel Israel with missiles and nuclear warheads out of the map, because then all would be destroyed and nothing could be plundered! B u t a g a i n: What could be plundered in Israel (see above) ?

Thanks a lot for giving us your opinion ! May God bless you and your ministry for Israel and the surrounding countries of Ishmael as well as we bless and greet you with a cordial and fraternal

SHALOM !
